HOLIDAY PARTIES
GEORGIA · FLORIDA

Holiday parties your whole team steps into

Company holiday parties and end-of-year thank-yous, with activities your guests play together and one events team to plan the day.

A holiday party works when people stop standing around and start doing something together. Big Idea Entertainment brings a family of activity brands to your site, so the party has a centerpiece, not just a buffet line. Every event is delivered by an operator in our family, whose staff run each activity on the day.

WHAT WORKS FOR A HOLIDAY PARTY

- **Big Idea Blizzard.** A snow festival that runs indoors or outdoors, in any temperature - snow for the holidays, even in Florida.
- **Mini Golf Anywhere.** A portable 9-hole course that sets up indoors or outdoors, with staff on the course throughout. Good for a ballroom, an office floor or a warehouse.
- **Backyard Carnival.** Classic carnival games under striped tents, with staff who run every booth.
- **Big Idea Bubbles.** A hosted hour of giant tri-string bubbles and shaped wands, for family-day parties with kids.

Which activities are available depends on your city and date, and is confirmed with your quote.

PLANNING A HOLIDAY PARTY

- **Book early.** December dates go first. Tell us your date as soon as you have one.
- **Indoors or out.** Tell us the spaces you can offer - a lobby, a ballroom, a parking lot, a lawn - and your events team places each activity to suit.
- **Teams that work the holidays.** If your crew works through the season, a thank-you party in January is just as welcome as one in December.
- **One plan, one point of contact.** Your events team sketches where each activity goes, how groups move between them, and one check-in point for your team. COI and W-9 on request, from the company that invoices you.

11,500+
family events delivered by operators in the family

5 markets
Atlanta, Orlando, Tampa, Jacksonville and Fort Myers

Every operator in our family is required to carry insurance.
Our events team replies within one business day.

Tell us your date, your headcount and your site.

Our events team plans the mix and confirms what is available in your city.
